

# NEW WAVE OF BRITISH HEAVY METAL BLOG

## A quick note of thanks and what you've downloaded.

First of all – my thanks to you for your interest in my little blog about the good old days of NWOBHM.

So what have you just downloaded.....well you have three things:

- A NWOBHM “cheat sheet” with links to various NWOBHM resources across the internet
- A collection of posts from the blog about some of the (arguably) lesser-known NWOBHM bands – such as Gaskin, More, Witchfinder General, Vardis and some more
- My “personal” top 10 NWOBHM albums and features.....well, read it and see. You might not agree with me and your own NWOBHM top 10 may well be different

Enough jibber-jabber. I do hope you enjoy reading both the blog and what you have here now.

Thanks,

**Andy.**
